Information for setting up your patient portal

1. Click on link sent to your registered email from <mark>Clinic to Cloud Patient Portal</mark>. Please check your junk/spam folder, if not received.

2. Set up your account the same day the link is sent to you and also bookmark the website: <mark>https://patientportal.clinictocloud.com.au</mark> to access your account in the future. We recommend that you use Google chrome as your preferred browser to access all features of the portal.Please note the link can only be sent once and it expires after 60 days, after that, you would need to click on 'forgot password' to access your account.

3. You can then register your demographic details. You <u>DO NOT</u> need to complete 'things to do/ complete health check survey' on the home page

4. Once your account is active, you can also access your account through www.clinictocloud.com.au, and click- login- 'I am a patient'. (Further information is available through the 'patient hub' tab on this website, if desired)

5. You can upload your referral and results prior to the appt- through the '<mark><u>Upload & Shared Files</u></mark>' tab- (3rd on the list through Menu). Any files shared with you by the Practice (Pathology or Imaging Referrals/ Correspondence Letters/ Medical Certificates) can also be accessed and printed from this tab

6. You can access your results, once reviewed by Doctor on the '<u>My Results</u>' tab- (5th on the list through Menu). You can access your Invoices/ Receipts on the '<u>Quotes & Invoices</u>' tab, (6th on the list through Menu)

We envision to make your journey in healthcare seamless at Artemis Women's Health and your engagement in the portal is a stepping stone in the direction. Wishing you good luck with your upcoming appointment with our Specialist and we look forward to seeing you at the Practice soon!
